The distinctiveness of Swarnachud College is reflected in its vision and the overall approach towards its stakeholders. Ever since its inception in the year 1978, it has been the vision of the founder members to provide quality education at an affordable cost to the poor and underprivileged students of this locality. It aims to create a holistic development in the students through participation in social, physical, moral and educational sphere. In order to achieve these objectives, the Institution has adopted a number of measures. Top priority is given the sphere of teaching learning and evaluation. Introduction of lesson Plan at the beginning of the academic session and the progress made is closely monitored by the academic team headed by the principal. Internal examinations, extra-classes for slow learners, seminars, discussions, and field visits to industries and exhibitions are integral to the Teaching and Learning practices of the institutions. The college library refreshes its stock of books and references each year keeping in view the requirements of the staff and the students. The college has helped the students in obtaining various National and State scholarships like Senior Merit scholarships, Students' Merit Award and other aid from local industries to support their aspiration for higher education. Through the NSS and YRC Wings of the Institution, a number of programmes have been launched this year aiming at the social, physical and moral development of the students through participation. The GYANALOK programme, the "Each One, Teach Two", Weaning Poor ST/SC/Wage Earners Back to College Education, Swachha Campus-Green Campus, Service to Local Community & Empowering Students through Swarnachud Groups are ventures, to name a few, are directed towards achieving development through participation.
